We shot our last rimfire match of the 2014 season today, and couldn't have had a better day for it with clear, bright skies and very little wind. Our turnout was really good too with the line full most of the time.

John Howard led the way for us with the only perfect 40 shot with a handgun today. Way to go John, good shooting! Jerry Stringham shot a very fine 39 in U-AAA, only letting one turkey escape. If not for some vanishing rams on the last bank, I'm sure his Production score card would have been just as good.

John McCutchen and Tra Tharp had a real shootout in Scoped Rifle with both shooting perfect 40's and John taking the win with 7 shootoff chickens to Tra's 4. Again, excellent shooting from both of you.

Overall, we had some fine shooting from all participants and I'm glad everyone came out today.

Thanks for helping set up and take down the targets today. You guys make my job a lot easier and I appreciate it.

We won't shoot again until April of next year so I hope everyone has a good winter and look forward to seeing you again next spring.
