

JPRPC Match Results 10-12-2014

10-12-14

Jackson Purchase Rifle & Pistol Club, Paducah, KY

Weather became a topic of concern for our last BB match of 2014. With reports calling for severe conditions the question was to continue or cancel. We decided to continue and made it through with only a couple of brief showers.

This was our last match for the 2014 shooting season. Worthy of note is John Howard who has shot his second 40 in BB UAS. John has advanced to International class for UAS. Congratulations John! Wife Kathy Howard has also stepped her program up and has recently recorded some great scores. Darell Holcombe continues to shoot FP Production very well with a 28. William Parmley also shot quite well in FP Practical Hunter and our newly added SB Tactical club match.

I would like to thank everyone assisting Judy and I for your greatly needed help. Big Bore matches require a group effort. Since not having a dedicated silhouette range targets must be unloaded from the trailer and returned each match. It is heavy and dirty work as anyone that has been involved in this sport know all too well. Together we have made this season a success. Our driving force has been the enjoyment of friendship and shooting steel. As a group we would like to thank the staff of Jackson Purchase

for allowing us to continue this enjoyable sport.

I will be submitting request for the 2015 match dates and will share that INFO when approved.

If possible please consider attending the JPRPC Christmas party this year. Once again there will be an award for the most improved shooter. If you have any thoughts who should receive this award please contact me via email or phone.

Lee Jackson is conducting the final SB match for the season Sunday October 19th. Hope to see you there!
