JPR&P Club October, 2012 Meeting Minutes

CALL TO ORDER: The monthly meeting of the Jackson Purchase Rifle & Pistol Club was called to order at 18:35 on October 15, 2012 at Paducah Shooters Supply, with Richard Roof presiding and about 12 other members present.

INTRODUCTION OF GUESTS: One guest was present, Samuel Justiniano

APPROVAL OF PREVIOUS MEETING'S MINUTES: A motion was made by Gary Lambert and seconded by Ken Stanley to approve the September, 2012 meeting minutes. The minutes were approved by voice vote.

REVIEW OF FINACIAL REPORTS: The club treasurer, Phyllis McCutchen was not able to be at the meeting so a current financial report for the month of September was not available. Richard Roof reported that the club investment account stood at on 7/31/12, and had in it two months later on 9/30/12. Since an official financial report was not available, a motion to accept a report was not made or called for.

OFFICERS ACTIVITY REPORTS:

George Reynolds reported that live rounds were found in the brass buckets on the rifle range. These buckets are for spent brass, not live rounds. If someone has live rounds they want to dispose of, call one of the club officers, or Shooters Supply. Please do not leave live rounds in the buckets on the range. This presents a safety hazard.

Also new target frames for Hi Power and Vintage Rifle matches will be required for next year. The old frames are being left out on the range due to the deteriorated condition of the existing frames on the range for general use.

Richard Roof reported that Lynn had almost completed all the berm work needed on each of the ranges. The work was expected to be complete in the next couple of weeks. He also reported that

the PPC target frames on the pistol range were in the process of being lowered. Mike Turner was working this issue. Lowering the target frames became necessary due to rounds hitting too high on the pistol berms.

CONTINUING BUSINESS: None

NEW BUSINESS:

There was some discussion about putting emergency info on separate cards or on the back of the current membership cards. Privacy issues and ICE phone numbers were also discussed. The issue was tabled for more discussion at a later date.

Approval Payment of Bills: There were no new bills to be approved.

Review of New Member Recommendations: The follow list of new member applications for review and approval was presented.

1. Russell Thurman
2. Samuel Justiniano
3. George L. Johnson

Richard Roof made the motion to accept the new members. The motion was seconded by Mike Turner and was passed by the membership. The new members will be sent a letter of approval and will become full members after their range orientation.

The meeting was adjourned at 7:11 pm.

We have completed our last IHMSA Silhouette match for the 2012 season. Finished with cool weather, clear skies and 10-20 MPH winds. We had a great turnout with 21 entries. The Bordello category which is not a sanctioned match for IHMSA had 11 fearless souls try their hand at Field Pistol targets. This is not an easy course of fire. Scores are typically low. You must stand, no sight adjustment after starting the match. Firearms are home defense type handguns. Our first place winner was Darell Holcombe with a score of 16 out of 40 targets. Darell shoots a 6" Taurus 357 Magnum DA with iron sights. Great shooting Darell!

In IHMSA Big Bore Unlimited Any Sight Harry Alder managed a perfect score of 40 with 5 out of 5 shoot off targets at 200 yds. Congratulations Harry, you made it look too easy. I also thank you and Sharon for traveling from western MO to shoot here at JPRPC.

Our next match will be in March of 2013. I am hopeful to make a change to the 4th Saturday. The Small Bore IHMSA match will still be on the third Sunday. I want to thank everyone that attended and invite you back next year. If you have any suggestions on our match procedures or something to add please contact me anytime. I will give updates on the match schedule when finalized and any new information from IHMSA. This is our range to enjoy so please make plans to attend next season. I would like to thank Jackson Purchase Rifle and Pistol Club for supporting our sport of shooting silhouettes. I would also like to thank Bob Longworth for his commitment for some 6 years directing this match. Thank you Bob, I will do my best to continue silhouette matches at JPRPC. Take care, have a safe and enjoyable Holiday.

It was a Good turnout for our last match of the season in November! It was a bit chilly at first, But it turned out to be a pretty fair day. Larry Evans takes top honors in Bolt with Rick Reichert coming in second place with Robert Cantrell coming in third place. Bill Fairless takes top honors in Vintage with Dug Estes coming in second place with Glen Newtown coming in third place. Jessica Eaves takes top honors in Modern with Bryan Nickell taking second place and Tyler Parrish taking third place. I know the scores show different but you can only win in one category so after Larry Evans chose which category he wanted I shifted the scores accordingly.
