(opposite Kohl's)

AUGUST 19

MONTHLY MEETING 6:30pm

The JPRPC monthly meeting was called to order by President Ken Stanly, July 15, 2019, at 6:30pm.

Minutes:

MOTION I: Glen Newtown moved that the June 17, meeting be approved as distributed. Second and approved.

Financial Report: Richard Roof distributed copies of the report, and stated that the month of June ended with a positive balance. The largest expense was Match and accounting fees with the greatest income from Match fees.

MOTION II: Robert Cantrell moved that the Financial Report be accepted. Seconded and accepted.

Disciplines:

High Power: Robert reminded members that there is no High Power scheduled for July and August, but it will resume in the fall.

He reported on participating in the Memphis shoot noting that he came in second – paused- and added 'second to last.' He won the Danial Boone prize – pause – as 'I was the only one from Kentucky.'

He added, it was lots of fun and prizes. The club and range are much larger than ours, with participation averaging no more than we do at our matches.

McCracken Co. Trap Team: Dan Elliott reported that the Team finished 8th out of 16 teams at the state match. McCracken sent two teams to the Fish & Wildlife Match(300 shooters) and came in second. A fall Jackson Purchase match is planned for those who do not hunt otherwise hunt.

Unfinished Business:

Membership: Glen has updated the roster that had several wrong addresses. The only way that he knows they are incorrect is when returned.

Programs: Richard led a discussion on monthly programs and club functions for members and the public.

Suggestions:

Homeowner & CCDW Refresher on the Firing Range

Meetings in the summer be held at the range and have a fun shoot

Veteran's Day Match

Take the NRA 'Eddie Eagle' program in to the schools

Show and Tell for under 10 years old – gun display, etiquette, proper use

Trade Day – trade or sell your no longer needed equipment

August program: Robert suggested members bring their sniper rifles and talk about them.

There being no further business, the meeting was adjourned at 7:12pm.
