Newsletter and Minutes

May 21, 2018 Meeting Minutes

Olivet Baptist Church, 5186 Hinkleville Road/US 60, Paducah, KY

The May 21 meeting was called to order by President Ken Stanly at 6:25pm.

Coach Alan Lollar, Murray State Rifle Team, presented the program on the team members, their records this year, equipment and its maintenance.

Minutes: MOTION I: Mike Turner moved to accept the minutes as published.

Seconded and approved.

Carolyn Roof apologized for the meeting date mix-up saying that there had been problems with the May newsletter from the beginning and thanked Glen Newtown for catching the error. Emails were sent out to member noting the correct date, and emails were updated. Members were asked to send up dates as emails change so that when information needs to go out at the last minute, as in this case, it will be easier to reach members.

Financial Report: Richard Roof reviewed the financials stating that April ended in a deficit as a result of payment of the Officers insurance and bonds. Matches have begun and that is reflected in income and expenses related to the matches. The year to date in is the black.

MOTION II: Mike Turner moved to accept the Financial Report. Seconded and accepted.

Discipline Reports:

Match Fees: Members were reminded disciplines may offer Club members a discount and that the amount is set by each discipline. Fees remain the same as last year.

High Power: Robert Cantrell announced that Rick Reichart won the last match. The number of participants was down, as the weather finally allowed farmers to plant after the wet and cold spring. Members discussed beginning time and whether to change it or not. Robert reminded members there will be matches June 16, and September 1; not July or August due to heat.

The CMP sanctioned matches shoot 80 rounds and for M-1 Garand matches, 30 rounds.

Unfinished Business:

New Business:

Membership: Glen Newtown reported a membership renewal and will send an updated membership list to the treasurer.

NRA-Membership: David Witt is now chair of this committee. Members are urged to renew through the Club as a portion is given to the Club for each membership. Contact David at: jlrcantrell@gmail.com, or mail to: 154 Kennedy Road, Paducah, 42001

There being no other business the meeting was adjourned at 7:42pm.
