NEWSLETTER AND MINUTES – OCTOBER 2017

Minutes – September 17, 2017

President Ken Stanly called the meeting to order at 6:32 p.m.

Minutes: MOTION I: Mike Turner moved to approve the July minutes, seconded and approved.

MOTION II: Mike Turner moved to approve the August minutes, seconded and approved.

Financial Report: Richard Roof, Treasurer, reported a balance of \$5,481.63 in the Club's Paducah Bank account and a \$0.00 balance in the new CFSB account. He plans on closing the Paducah Bank account as soon as possible due to the \$10 monthly account fee.

In August the Club realized revenues of \$430.00, all from match fees. Expenses were \$199.20 for the treasurer's bond, bank charge, Vintage Rifle match expense, and bookkeeper's fee leaving a positive cash flow of \$230.80.

MOTION III: Dan Everett moved to accept the financial report. Seconded and accepted. It will be filed for audit.

Richard asked that receipts for purchases for matches be turned in with the match registration.

DISCIPLINE CHAIR REPORTS:

Small bore: It was reported that attendance is slowing down as we approach the end of the season.

Vintage rifle: The last match was well attended as always, with two flights for a total of 15 shooters. The last match for the year will be held September 23.

Cowboy action: The last match had its usual attendance.

High power rifle: There was good participation at last Saturday's match. NRA allows 4.5 power on scopes now as younger shooters like the scopes and older shooters need the extra power.

CONTINUING BUSINESS:

Trap team formation: Dan Everett gave a brief history of trap shooting and ATA (national trap organization) and update on the possible formation of the McCracken Co. HS Trap Team and answered questions as the September meeting.

The high school trap team is open to any high school if the school board approves it. The McCracken Co Site Base Committee has approved it and it is to come before the McCracken Co School Board, October 16. Dan has gotten approval from Lynn McCutchen for free use of the range by the team, and Justin Riley (4-H Shooting Sports) said that there is not a problem.

Requirements include a certified main instructor and one per 10 team members. Each instructor must complete a USA Clay Target League certification program. The instructors will be covered by insurance through the trap association and Lynn has liability insurance as well. Team members also must pass a safety program and have a C average in school.

Dan asked that if the team is formed, that JPRPC provide ammo, shirts, and targets. The shirts will have McCracken High School and JPRPC logos as well as names of financial sponsors on them. Dan has commitments from three local businesses. Lynn will sell the targets as cost.

Parents are responsible for purchase of the 12 gauge shotguns and ammo. A place will have to be provided where guns may be safely stored.

Asked if there had been any publicity and what was the response. Allen Everett, Dan's grandson and trap shooter, stated that there had been no publicity, but that students have come up to him asking about it

NEW BUSINESS:

Programs: Carolyn Roof stated that in the past the Club has had some very good programs at the monthly business meeting and that she would like to see the Club reinstate that and that it be advertised as open to the public. She has spoken with Jim Hank – Civil War re-enactor and suggested that MSU Rifle Team coach Alan Lollar be invited to present a program as the Club established a MSU Rifle Team scholastic and shooting scholarship in memory of Fred and Phyllis McCutchen. The annual Foundation donation would be made at that meeting.

Nominating Committee: The Committee will be appointed at the October meeting.

Events:

September 23, Public Day was cancelled.

October 28-29, Hunter Sight-in, 9:00a.m.-5:00p.m. on Saturday and 9:00a.m.-4:00p.m. on Sunday. Glen Newtown will be the Range Officer. This is open to the public as well as Club members.

Meeting dates – third Monday of each month at 6:30 p.m.

October 16

November 20

December 10 - Annual business meeting and pot luck at United Church of Paducah, 4600 Buckner 2:00p.m.

There being no further business, the meeting was adjourned at 7:22p.m.

Carolyn Roof , Secretary

Who will receive Most Improved 2017?

For most disciplines the season has concluded. Who were the Most Improved 2017? Most Improved in each discipline will receive special recognition at the December 10, Annual Business and Pot Luck. So put that date on your calendar for the big reveal. Match Directors let Ken Stanly(270-210-3885 kcstanly@att.net) who is your Most by December 1.

Photographs

Submit your favorite shooting photographs to Jack Schultz to include in the Club's website Photographs section.

JPRPC Meeting Schedule

October 16, 6:30 pm Shooters Community Building

November 20*, 6:30 pm Shooters Community Building

December 10*, 2:00pm, United Church of Paducah, 4600 Buckner Lane, park behind the church and enter through the south double doors(RED).

Meeting programs

We are in contact with two speakers for the November and December meetings. We are waiting on confirmation as to which months. Jim Hank, Hank's Hardware, is noted for his re-enactment and Alan Lollar is the MSU Rifle Team Coach.

Please share with Ken Stanly(270-210-3885 kcstanly@att.net) programs that you would like to hear, those that you have heard and would be of interest to the membership. Programs for 2018 are currently in the planning.

Coach Alan Lollar, MSU Rifle Team and student representatives to be the Club special guests.

Depending on their schedule, it will be either the November or December meeting. At that meeting, the Club will present the Rifle Team a donation to the MSU Foundation that receives donations that are earmarked for the Team.

The Club annually donates to the MSU Foundation in the name of Fred and Phyllis McCutchen Scholarship that is based on both shooting ability and scholastic standing.

MSU's 10-1-17 Match

Junior Barbara Schläpfer shot a career-best in 593 in smallbore for a total of 1180 to lead the third-ranked Murray State rifle team past UT Martin, 4701-4600.

"Everyone gave good effort and competed like champions including Barbara who had a big day," said head coach Alan Lollar. "She has been working hard and it's good to see her have success."

Robert Broadstreet followed Schläpfer with an 1178 after shooting a 585 in smallbore and an 593 in air rifle, while MacKenzie Martin shot an 1176 on the day. Ivan Roe shot a 575 and 591 for an 1166 total, in addition to Ben Estes firing an 1163 and Alathea Sellars shooting an 1169.

"Bobby had a solid day and I think he's ready for a nice

senior season, while Meike performed well with a big day in air. Kenzie was consistent as always. We count on consistency and she is a big part of that expectation." "Alathea stepped up with a good aggregate, her consistency in both guns is moving to a higher level. Ivan struggled a little in sling today, but responded well and finished in good fashion and I'm proud of his effort."

Sophomore Meike Drewell had a career best 594 in air rifle and finished with an 1173 total, while Shelby Huber tied his personal record of 586 in air rifle for a total of 1157. Dana Buesseler also had a career day in air rifle with 586 for an 1153 aggregate, while Eric Sloan rounded out the day at 1135 for the Racers.

"Shelby and Dana had nice air rifle matches along with Ben. Eric had some nice strings and is getting more consistent."
